

## KIWANIGRAM

### HAPPY THANKSGIVING

*Another year has passed and in five days we will be called on to fulfill one of the most important responsibilities we have being citizens of the greatest country in the world. To Vote. Next Tuesday we are called on to execute this privilege that many of our brave young men and women have sacrificed their lives to protect for over 200 years. Regardless of your political persuasion get to the poles and help elect our new local, county, state and national governments. Once the results are in, let's all support the new leaders and help make this wonderful country continue to be a world leader.*

#### PRESIDENT'S CORNER

*Keith Glenn*

*A Marine was deployed to Afghanistan. While he was there he received a letter from his girlfriend. In the letter she explained had been gone and she wanted to pictures of herself back. So the Marine would do. He went around to unwanted photos of women that he pictures of women (with clothes and following note; "I don't remember*

*that she was dating two guys while he break up with him. And, she wanted Marine did what any squared-away his buddies and collected all the could find. He then mailed 25 without) to his girlfriend with the which one you are. Please remove*

*your pictures and send the rest back." This story obviously has nothing to do with Kiwanis, except to tickle your funny bone. And, as Kiwanians that is what we should do a lot. Laughing, having fun while working hard to improve the future of Savannahs' children; or said another way just having a good time helping the kids. If you are big time involved with Kiwanis – Thanks! If you can do more, please do, you maybe surprised how much fun you can have!*

***November 11, 2006 11:00 am to 2:00 pm***

***Ticket sales are going well but we need to make that final push to reach our goal. Members who haven't turned in the money for tickets that were mailed to them should do so ASAP. Raffle tickets are being sold (\$2 apiece or 8 for \$10) with GREAT prizes i.e. Under cabinet TV, many restaurant packages, golf and tennis lessons, barber shop services (women and men) and many more items. We always use volunteers for pre-event set-up. If you can help call***

***Gene McDonald 4250, Terry Overton 2064***

### **Volunteers Needed for Greenbriar Children's Center**

***The Greenbriar Children's Center is one of the charities our club supports every year. For the most part, our support is financial. We now have the opportunity to help in a more tangible way. Greenbriar will be operating two gift-wrap centers during November and December. One of these is downtown on Broughton St., and the other is at Savannah Mall. Volunteers are needed to staff these gift-wrap centers. Hours are very flexible, and you do not have to be an expert with ribbons and bows. People are needed to carry packages to cars and to do basic wrapping. This promises to be an important source of funds for Greenbriar, as well as fun for the volunteers. If you are willing to help for as little as 2 hours during this season of giving, please call***

***Melissa Emery at 598-1883.***

## **MEMBERSHIP COMMITTEE**

***Ron Morris - Chairman***

***Our club membership drive continues to be a high priority activity for the coming Kiwanis year. As our membership continues to age, and move away from the Island, it is important that we entice the younger generation to come on board to help realize our goal of helping the children of Chatham County.***

***On October 29th the Club held a successful cocktail party at the Bocard residence. We had five potential new members join our group and I must say true to Skidaway standard they were an impressive group and the club would be fortunate to have them become members of the organization. These parties are a very effective way to acquaint people with our club and to provide some insight as to what The Skidaway Island Kiwanis Club is all about. We encourage all our members to continue this effort by inviting your friends, neighbors and golf and tennis buddies to join us for breakfast and become a part of this vital social effort.***

## **SPEAKER CHAIRMAN**

*Hats off to Will Weeks who has volunteered to Chair the important committee of arranging our speakers for 2006/2007. Will will be looking for monthly chair people. Give Will a hand by passing along any speakers that you feel might be of interest. to our members.*

*Thanks Will!!!!*
