President's Message

October 2013

Fellow Kiwanians,

In past messages, I've said "Thank You"—Thank you for your service to our community, thank you for organizing and volunteering for our events, thank you for selling tickets, and thank you to our board for keeping it all together. Today, I say thank you once more, but this time it is a personal thank you. Thank you for welcoming me as your president, thank you for telling me "good job," thank you for coming to the meetings I've led,

thank you for laughing at my jokes, thank you for acting like you were interested in Duke... and lastly, thank you for making me look good! You didn't have to, but you did, and for that I say "thank you" once again!

How did you make me look good? You made our club look good and by default, serving as your leader this year, I received a ton of praise and thanks. But, I want you to know that I know the praise and thanks—although directed at me—were all about you and your service to our community, work in organizing and volunteering for our events, and for our board's leadership throughout the year. I just happened be president during one of the top years of our club's existence.

Here is a recap of some of the great events and milestones we celebrated this year.

- 25th Anniversary Extravaganza—spearheaded by Greg Stinson
- Chili Cook-Off raised a record \$12,300—led by Marianne Schutz and Jim Overton
- Pancake Breakfast raised a record \$11,600—led by Chris Butler and Matt Price
- Mid-Term Club Awards—We recognized seven members for their 20+ years of service and Jeff Heeder as Kiwanian of the Year
- Concert on the Green raised a record \$15,100—led by Jim Overton and team
- Armstrong's Circle K Club was established, with our support—led by Frank McCarthy and team
- New "Take a Chance for Kids" raffle—kicked off by Tom Sharp—raised \$9,800 and counting to support Savannah Early Childhood Foundation
- Show the Colors campaign, in its first full year, raised \$9,400 and counting—led by Keith Glenn and team
- 26 New Members joined, welcomed by the New Member Experience and celebrated at our New Member cocktail party—led and hosted by Joyce Glenn
- Corporate Sponsors program raised \$23,300 and counting—led by Jeff Heeder
- Hazel Brown was honored as our club's first Lifetime Achievement Award recipient
- We granted over \$10,000 for Georgia District and Kiwanis International non-administrative projects, including The Eliminate Project—led by Gene McDonald
- We provided grants to 24 local agencies serving at-risk children in greater Savannah totaling \$82,300 and over 12,000 hours of hands-on volunteer service!

President's Message *continued*

Through your dedication to our club, your many efforts, and your generosity of spirit, we are living our motto to support the children of Savannah and the world, one child at a time!

I want to thank our leadership team members who will continue to serve and also those whose terms are expiring this month— board members Gary Hughes, Frank McCarthy, and Jim O'Malley, as well as our past president, Greg Stinson. And lastly, I want to welcome our new president, Melissa Emery. She has been a leader of our club for as long as I've been a member; I know that she will take us to new heights.

Proud to be a Kiwanian of Skidaway!

THANK YOU!

- Dan

Get Ready for Chili Cook-Off 2013

Now that fall is in the air, let's heat things up! The 16th Annual Kiwanis Chili Cook-Off is just around the corner—on Saturday, November 2.

Your Chili Team has been busy planning some new music and entertainment. Back by popular demand will be the magicians, face painting, and children rides along with the Landings Automobile Society's classic cars. We have over 20 chili contestants—some new, as well as the old favorites. Of course, we will have beer and soda to cool the hotter offerings.

Tickets will go on sale October 3, with advertising beginning in mid-October. Ask your friends, neighbors, and family to join us for a great time this year. Just remember, it's all for the *kids* we support.

Take a Chance for Kids

Raffle tickets will be available for purchase through our Chili Cook-Off for this special fundraiser to support Savannah's Early Childhood Foundation. So far, 580 tickets have been sold, and we've had three monthly winners: July—Tim Baldwin's step-daughter, August—Lou Molella, and September—Gary Hughes' grandchildren. Thanks to all who have bought and sold tickets!

Earlier this year, Savannah's Early Childhood Foundation announced plans to raise \$2 million over the next two years to expand its programs. Foundation president, Paul Fisher, will be our guest speaker at our November 7 breakfast meeting. Plan to join us to hear more about the Foundation's recent success and future plans.

ELIMINATE

maternal/neonatal tetanus

What is MNT?

In 26 countries around the world, maternal and neonatal tetanus (MNT) can quickly turn the joy of childbirth into tragedy. MNT kills one baby every nine minutes. Its effects are excruciating — tiny newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. There is little hope of survival. And tetanus kills mothers too.

Who suffers from MNT?

MNT is caused when tetanus spores, found in soil everywhere, come into contact with open cuts during childbirth. The disease strikes the poorest of the poor, the geographically hard to reach and those without health care.

Can MNT be stopped?

Yes! MNT is highly preventable. Just three doses of a 60-cent immunization protect mothers, who then pass on the immunity to their future babies. Together, Kiwanis and UNICEF can stop this disease.

Why hasn't MNT been eliminated already?

UNICEF has helped to successfully eliminate MNT in many countries. But in 26 countries in Africa, Asia, Europe and North America, it still strikes babies and mothers who have little or no access to health care — either because they are poor, live in remote areas or are caught in humanitarian emergencies. More funds and resources are needed to reach all babies and mothers at risk.

What will it take to eliminate MNT from the Earth?

More than 100 million mothers and their future babies must be immunized. This requires vaccines, syringes, safe storage, transportation, thousands of skilled staff and more. It will take US\$110 million — and the dedicated work of UNICEF and every member of the Kiwanis family.

Why focus on this issue?

It is unacceptable that innocent newborns and their mothers suffer and die from MNT when it can be prevented so easily. This is also an amazing opportunity to reach the poorest, most neglected mothers and babies with lifesaving health care. Developing delivery systems for MNT vaccines will blaze a trail to provide additional desperately needed services to these marginalized families.

What is the Eliminate partnership?

Hand in hand, Kiwanis and UNICEF will eliminate MNT and change the world. Kiwanis' commitment, vision and strength in reaching communities and leaders will help wipe out this cruel, centuries-old disease and pave the way for other interventions. UNICEF has staff working in the most isolated corners of the globe and an unbeatable supply chain.

Source: <http://sites.kiwanis.org/Kiwanis/en/theELIMINATEproject/home.aspx>. **For more information on how you can help, talk to Gene McDonald, our club's Project Eliminate chairman.**

Kiwanis & UNICEF have succeeded together before— Let's do it again!

Kiwanis and UNICEF joined forces to tackle iodine deficiency disorders, achieving one of the most significant public health successes of the 20th century. Now, they are eliminating MNT from the face of the Earth. And in doing so, the project will reach the poorest, most neglected mothers and babies with additional lifesaving health care. The end of this one disease means the beginning of better health for so many families. To learn more, watch this video:<http://www.youtube.com/watch?v=mtTHuEPbkfU&feature=youtu.be>

Update

As of September 16, 2013, The Eliminate Project—Kiwanis's global campaign for children, in partnership with UNICEF—has raised US\$39,111,874.48 (cash and pledges; US\$168.61 per member average)

- Total Model Clubs: 536
- Total 100K Clubs: 34
- Total Lead Gifts: 12
- Total Major Gifts: 76
- Total Walter Zeller Fellows: 4,378

As of this date, clubs in the state of Georgia have raised \$953,138.66 (cash and pledges \$133.34 per member average), with 20 model clubs, one 100K club, 4 major gifts, and 97 Walter Zeller Fellows.

Gene McDonald will update us on our club's support to The Eliminate Project at a future meeting.

Corporate Sponsors

Corporate sponsors play an important role in our fundraising efforts and contributed nearly \$24,000 to support Savannah's at-risk kids during fiscal year 2012-2013. Our sincere thanks go to all of our sponsors who provided financial and in-kind support last year.

As we start our new fiscal year, we are inviting all of our sponsors to renew their support for our club. In our November Kiwanigram, we will provide an update on renewals and also formally welcome Armstrong Atlantic State University as our newest silver sponsor and tell the story of how Armstrong became the first institution of higher learning to sponsor our club.

If you know of business leaders who wants to help at-risk children and could value having their organization be a Kiwanis sponsor, please let me know. I am available to help you market the benefits of club sponsorship for those organizations.

Armstrong Circle K News

Armstrong's Circle K Club, established earlier this year, held its first meeting on August 21 for prospective members. District Lt. Gov. Kristi Parker gave a brief presentation on Circle K, benefits of membership, and plans for the fall semester. She introduced club President Rebekah Robinson, who introduced the club's officers and welcomed everyone. At the end of the meeting, the nearly 20 participants made "Happygrams" to hand out to homeless people at Forsyth Park during an upcoming weekend.

Frank McCarthy, Julie Gerbsch, Rob Norton, and Jan Wright represented our club at the meeting, and Frank presented President Rebekah Robinson with her club's bell and gavel (see photo gallery). Julie Gerbsch has subsequently been appointed as Armstrong's faculty advisor to the Circle K club, further strengthening our ties and support.

Armstrong's club does not have a website, but you can follow their progress on their very active facebook page at <https://www.facebook.com/groups/237692796357856>, and Rebekah will provide updates for our Kiwanigram from time to time. We have invited Circle K members to help out with our Chili Cook-Off activities for children.

L.O.V.E. Provides Summer Camp Experience for 43 Kids

Editor's note: Kiwanis Club of Skidaway has awarded grants to support L.O.V.E. Mentors for many years. At our request, summer camp coordinator Bill Monroe provided this report and accompanying photos.

Again this year, L.O.V.E. sponsored more than 40 children to attend one of four summer camps in downtown Savannah—The West Broad Street YMCA, Coastal Georgia YMCA, The Frank Cullen Boys and Girls Club, and The City of Savannah Cultural Services Department. All of the camps are centrally located so that campers can walk to the facility and are generally well known in the community.

L.O.V.E. sponsored 43 kids from these elementary schools:

- 13 from Gadsden
- 9 from Low
- 7 from Spencer
- 5 from East Broad
- 4 from Haven
- 3 from Pulaski
- 2 from Isle of Hope

For many of these children, this is their only opportunity to experience the fun that summer should bring. Traditional camp games, swimming, and computer and fine arts classes are all available in these camps, and one of the camps was for the entire summer.

Each year we have been able to increase the number of children attending these camps largely through the generosity of The Getz Foundation and the hard work of many site directors volunteering through L.O.V.E. (Note: Site directors provide a coordinating and supportive role to mentors at each school, in addition to serving as mentors themselves.)

The program is managed by L.O.V.E. mentors, Bill Monroe and Jim Higbee. It is another example of the commitment L.O.V.E. has to the children of Chatham County and one we can all support and be proud of.

For more information about L.O.V.E. and its programs, as well as opportunities to volunteer as a mentor, see <http://lovementors.org>.

Golfers Prepare to Bring Ryder Cup Back to Kiwanis

Golfers from Skidaway's Kiwanis and Rotary clubs face off Thursday, October 17, with a 1:30 p.m. shotgun start at Marshwood Club, in the 5th annual Ryder Cup golf match. The rivalry is tied up at 2 wins for each club, and our golfers are preparing to bring the cup—and bragging rights—back to Kiwanis.

Matches will consist of 2-person teams from each club, paired according to handicap; three 6-hole matches will be conducted; and play will be 2-person better ball, alternate shot, and individual match play. Participants will enjoy refreshments immediately following play.

Club president Dan Umbel encouraged our club's golfers to get out there and win, noting that he had to eat humble pie during his tenure when he presented the Ryder Cup trophy to Rotary Club last fall, and he wants to spare incoming president Melissa Emery the same indignity. "Let's win it for Melissa," said Dan, "and help her get off to a great start as our new president."

For more information or to sign up, contact Gary Hughes (598-0751, gmhughes01@bellsouth.net).

Club Remembers John Y. "Jack" Huber, III

(July 3, 1919–September 15, 2013)

Long-time Kiwanian and good friend, Jack Huber, died September 15 at 94 years of age. Jack was an active member of our club for more than 18 years, and he was our oldest member. He was instrumental in getting our club involved with the Youth Challenge Academy and he remained active in the Academy up until his death.

The Youth Challenge Academy accepts motivated high school drop-outs and puts them through a military-like regimen that teaches them self confidence, discipline, and responsibility and gets them through the courses they need to earn their General Education Development (GED) diploma. Cadets from the Academy have been very helpful over the years at our fundraisers and other special events. Jack would have several cadets at our events to help with event set-up and clean-up, as well as to present the colors and, on occasion, show off their drill techniques. It was fitting that the cadets attended Jack's funeral on September 28, where they acted as an honor guard.

Jack was a Navy veteran who loved boating all his life. He was active in the U. S. Power Squadrons and was awarded Member Emeritus status in August in recognition of his 50 continuous years of teaching boating and safety courses to the public and to other Squadron members. Jack was also active in the Chatham County Jail Ministry where he served on the Board for several years and he would go into the local jails to work with the inmates, nurture their spiritual growth, and reduce recidivism.

Jack is survived by his wife, Mary, and their blended family. This Kiwanian had a lifetime of serving others. This gentle man will be missed.

- Larry Wills

Kiwanis president Dan Umbel was a good sport as he presented the 2012 Ryder Cup to Rotary president Doug Powelson last October. Melissa Emery is ready to extend an invitation to 2013 Rotary president Jon Peterson to come to our turf this year.
