The monthly newsletter of the

October 2010

A Letter from the President

OK, this is my first stab at a Monthly Report to you' all. It is going to be hard for me to follow Bill but I'll try. By the time you get this we will have had our installation breakfast and will have given away \$58,000 to 19 different charters. I can only say it was a pleasure to be a part of this.

It seems traditional to have a theme for your term in office – a lot of choices came to mind but I thought Disney World and Star Trek were over the top!

Seriously, taking a page from our new Kiwanis International President – Sylvester Neal, I proclaim this the **“Year of the Fire”**.

Gene McDonald/president

Aside from repeating us a “Distinguished Club”, we want to light the fire and passion to serve our needy children: we want to light the fire of fund raising and we want to light the fire of community service. And by the way, we want to have you doing them all. My zealous structure may be poor but you get the point.

Thank you all in advance for making my job easy. **Fire it up!**

Chili Cook Off 2010

The Chili Cook-off Committee is busily preparing for the 13th Annual Cook-Off, to be held November 6, 11:00 a.m. on the Landings Athletic Field. We have over 20 restaurants lined up, and will have an expanded program for kids this year, with arts & crafts, pony rides, the petting zoo, and a photo booth where kids can dress up in costumes to have their pictures taken.

Your tickets will be available soon. This year, for the first time, tickets will also be available on our website, www.kiwanisofskidaway.com. Our club also accepts credit cards now, so you may pay for tickets at our meetings or at the gate with credit cards. Tickets are \$10 in advance, \$12 at the gate.

Flyers will be going out early in October. Be sure to call your friends and alert them to this fun, community-wide event that does so much good for the children of Savannah.

Former handsome president Gary Bocard presents award to last years Chili cook off winners.

October 2010 Schedule of Speakers

Greenbriar Children's Center-----Project Safe Place

The problem of child abuse and neglect continues to plague our community. In 1996, Greenbriar established Project Safe Place, which focuses on the prevention of child abuse and neglect by partnering with local businesses to provide safe havens for children in need. We have established over 125 Safe Place sites including Chatham Area Transit, convenience stores, fast food restaurants, grocery stores, fire stations and recreational facilities. When a child seeks help at one of these sites, a trained volunteer or staff member responds immediately and offers services which may include emergency shelter, individual or family counseling, or other referrals as needed. The Safe Place Program also includes presentations at schools and community centers to educate children about child abuse prevention and available assistance.

Columbia Square

Columbia Square was laid out in 1799 and is named for Columbia, the poetic personification of the United States. It is located on Habersham, between State and York Streets. In the centre of the square is a fountain that formerly stood at Wormsloe, the estate of Noble Jones, one of Georgia's first settlers. It was moved to Columbia Square in 1970 to honor Augusta and Wymberly DeRenne, descendants of Jones. It is sometimes called the rustic fountain, as it is decorated with vines, leaves, flowers, and other woodland motifs.
